## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

It has come to our attention that a group of Fisher County citizens are in the process of trying to get a county-wide hospital district established in that county. A legal notice is currently being published in the *Rotan Advance* declaring their intent to apply to the Texas Legislature at its second special of the 62nd Legislature later this month for the passage of an Act authorizing the creation of a Hospital District over all of Fisher County.

While we don't question the need of Fisher County to form a hospital district because they do need a new hospital, we do question their boundaries.

If they form a county-wide hospital district it would bring their district right up to the very back door of Hamlin and would take in a lot of people who feel a closer relationship to Hamlin than they do to Rotan where any new hospital would likely be located.

It is known at this time if the Governor will open this special session to such a bill but the odds are that if the bill is not contested it would likely be passed.

It would be hoped that some compromise could be worked out with the people of Fisher County who are working on the hospital district to at least leave out that part of the county that is in the Hamlin Independent School District.

It seems to be the consensus of opinion of everyone who has worked on our hospital problem that sooner or later Hamlin must form a hospital district. And with things going the way they are now, it would seem that we had better do it sooner rather than later or else we will not have any room left to make into a district.

At the present it looks doubtful if we could come up with a district in time to get in this special session. Our best hope for the present at least is to have some people on hand in Austin when the bill for Fisher County comes up and try to trim the size of their district back to more nearly conform to their trade area.

We are already faced with the problem of being cut off to the North by the Stonewall County District, to the East by Stamford's District and there is some talk of Anson forming a district which would create problems to the South.

The local citizens who are working on our hospital problems had hoped to wait until we got some doctors before worrying about a Hospital District but now it looks like this might have been a mistake.

The following is an open letter to the people of this area from Dr. and Mrs. E. D. Perrin:

Dear Friends,

This is a very sad time in our lives. This is our last week in Hamlin. My wife and I moved here 23 years ago. Our children were born and raised here. The hospital grew from 12 bed to a 42 bed institution. Our employees increased from nine to approximately 84. Many of these employees have been with us most of the 23 years. We have respected and admired these associations very much. My practice of medicine in Hamlin has been extremely rewarding. I met and became friends with many neighbors and patients. After so many years of hard work in my practice, I have to move. My wife agreed to return with me to my home town of Cameron, Texas. A new clinic is presently under construction for me and another doctor. There are two new hospitals fully equipped and approved under Medicare regulations. Your expressions of respect and love were wonderful. My wife and I read them all, from the letters of the school children to the petition from the community with so many signatures

## BRISCOE EASY WINNER—

# Bill Moore Wins Commissioner Race

W. L. (Bill) Moore was a better than 2-to-1 victor over Burnia Reid in the race for commissioner, precinct 1, in the Second Primary election held Saturday. Both Hamlin and Jones County voters went with the balance of the state in the four state-wide races for the Democratic nomination.

Moore led the field of four candidates in the May voting and held onto his strong showing in the second primary, polling 779 votes to Reid's 367. Moore had 532 votes in the May voting to Reid's 265. The two combined boxes in Hamlin gave Moore a 572 to 280 lead over Reid.

Dolph Briscoe, Uvalde County rancher and baker, was an easy victor over Frances Farenthold for the nomination as Democratic candidate for governor. He received 1,099,993 votes to Mrs. Farenthold's

## David Bonds Named to Athletic Director Post

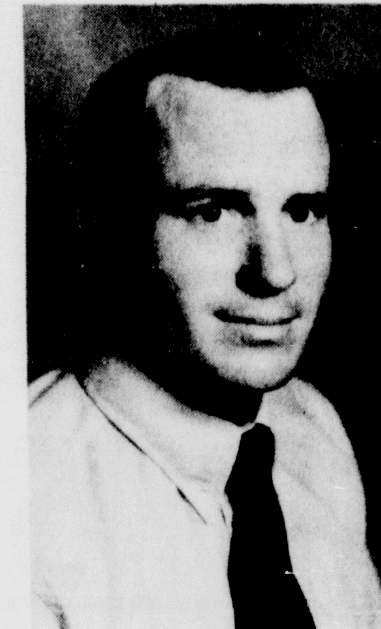

David Douglas Bonds, 29, a Hamlin High School graduate, was named athletic director and head football coach here Thursday evening at a called meeting of the Board of Trustees of the Hamlin Independent School District.

Bonds was named to fill the position created when the local board failed to renew the contract of Deane Wright who had served as athletic director and head football coach for the past two years. Coach Wright has not announced his plans for the future.

Coach Bonds, son of Mr. and Mrs. L. C. Bonds of Hamlin, has been assistant football and track coach at Alice for the past two years. Last season, Alice was district and bi-district champions in Class AAAA, losing to Austin Reagan in Regional.

Prior to moving to Alice where he also served as Junior Varsity coach, Bonds was first assistant football and head track coach at McCamey for two years and assistant basketball and track coach at Ballinger in the spring of 1968.

Before going into coaching, Bonds played two years of

professional football with the Kansas City Chiefs. A knee injury forced his retirement.

In high school, Bonds was an All District and All Area end in 1959 and again in 1960 and was named All State end in 1960. He lettered two years in football and three years in track and was a captain of the Pied Piper football team his senior year.

He signed a full football

scholarship with Texas A & M University in 1961 and transferred to McMurry College in 1962 where he signed a full football and track scholarship. He lettered two years in football and four years in track while at McMurry.

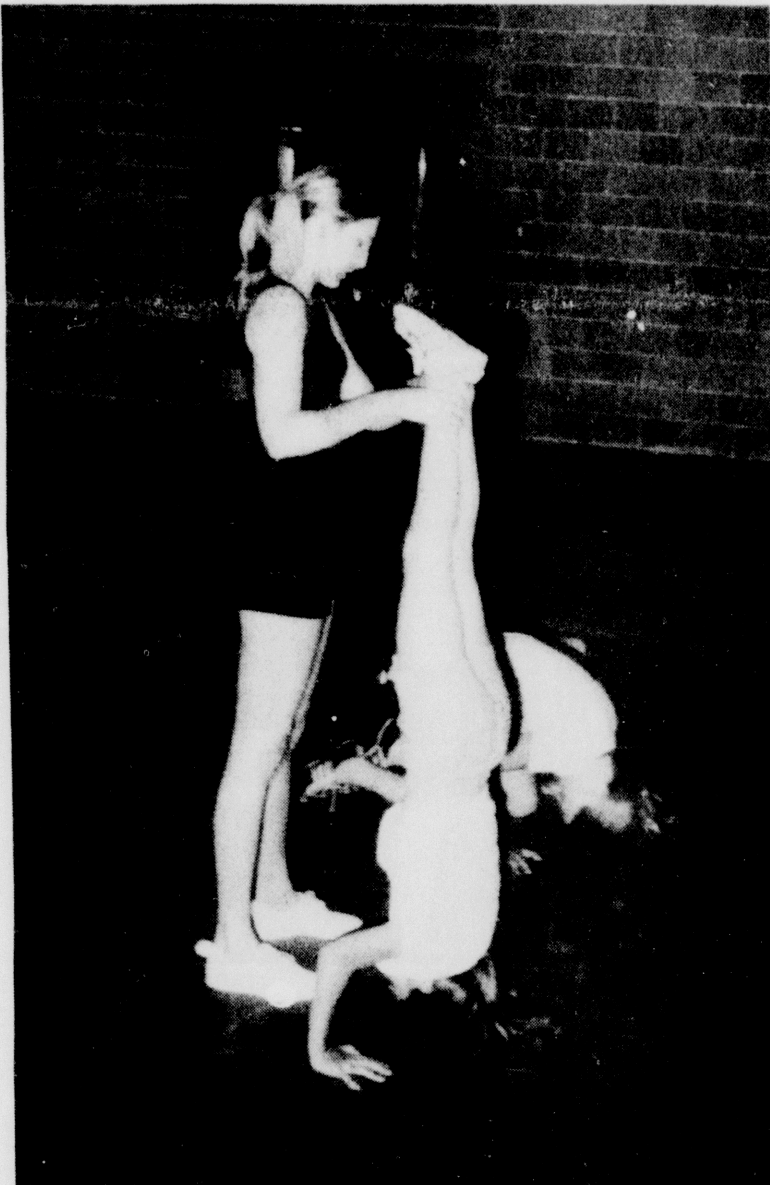

Bonds was on the N.A.I.A. All-American Track and Field team in 1964 and 1965 and was named the Outstanding Athlete at McMurry in 1965. That year he was also named the Lone Star Conference Outstanding Track Athlete. He was the N.A.I.A. National Champion and the Texas Relays Champion in the 440 Hurdles in 1965. He also was named All Texas College Football Defensive Back in 1965.

His teaching fields are physical education, social studies and driver education.

Bonds is married to the former Gena Cox of Brownfield and they have two sons, Doug, age 4, and Joey, age 5 months.

He and his family plan to move to Hamlin as soon as they can find housing.

Mr. and Mrs. Pedro S. Ramirez are parents of a boy, Lloyd R., 7 lbs. 14 oz., born June 4 at 11:54 a.m.

# FROM THE FILES . . .

FORTY-THREE YEARS AGO  
(May 17, 1929)

The rain that fell over the Hamlin trade territory Sunday was one of the most beneficial we have had this year, it coming at a time when it was much needed, immediately after farmers had finished planting. While it was of a nature that fell in spots, it covered a vast territory, and gave moisture where it was most needed. Thursday evening, May 9, the Junior Class of the Hamlin High School presented their annual class play at the Mutual Theatre to a large and appreciative audience. They had chosen for this entertainment the "Hidden Guest," a three act comedy drama.

For the closing program of the Plasterco School, a playlet, "The Awakening," will be given at the auditorium Wednesday night, May 22, at eight o'clock. The graduation exercises for the seventh grade will be held Friday night, May 24, at eight o'clock in the auditorium.

An invitation to all ex-members of Fairview Church to attend a "Home Coming" and celebration of the 41st Anniversary of the organization June 2, 1929.

TWENTY YEARS AGO  
(May 2, 1952)

Work on the City of Stamford's Paint Creek dam, 16 miles northeast of that city, from which Hamlin will purchase water, is now about 45 percent complete.

Net proceeds of \$73.79 were realized by the Business and Professional Women's Club from the game night staged Monday evening at the Junior High School gymnasium.

Hamlin High School's 60-piece band, under direction of Walter Chalcraft, further distinguished itself by rating high in contests held last Friday at Abilene for schools in Region II of Interscholastic League Music Festivals. The Pied Piper Band was rated first division for its concert playing, a second in sight reading and third in marching.

Two Future Farmers of America judging teams from Hamlin High School qualified for participation in state contests when they placed in contests for boys of Area I, II and IV held Saturday at Texas Technological College at Lubbock.

The Dorian Singers, a volunteer choir composed of the seventh grade girls, will sing for the Methodist Men's Fellowship meeting Monday evening.

TEN YEARS AGO  
(May 10, 1962)

Mayor John V. Howard Jr. announced this week that he is proclaiming June 4-9 as Clean-Up Week here in Hamlin.

The Hamlin Open Duplicate Bridge Club is sponsoring a charity tournament here Saturday, May 12, and is inviting all bridge players in the area to participate.

The music department of the Oscar

DePriest School will present the annual Spring musical in the Hamlin High School Auditorium Friday evening.

Superintendent C. F. Cook of the Hamlin School System announced this week that the schools will sponsor a summer recreational program for both boys and girls this summer.

Beginning Thursday, Friday and Saturday of this week and continuing through Thursday, Friday and Saturday of next week most of the merchants of Hamlin will begin issuing "Auction Dollars" with every purchase made in their stores during this time that will be usable at the big auction to be held on Saturday, May 19, in downtown Hamlin.

The Hamlin Jaycees will hold their annual Junior Tennis Tournament this year on May 25 and 26, according to L. M. Bayouth, chairman.

The cubs and scouts sold 684 tickets to the Scout Exposition held here last Saturday afternoon.

### And What Have You

By BOB CRAIG

on it. This community has been wonderful to us and we will miss each of you greatly.

Dr. and Mrs. E. D. Perrin

It is with a great deal of regret that we see the Perrins leave. Not only are we losing a doctor but we are also losing a couple that have been good citizens of this community for a great many years.

We would like to offer our congratulations to David Bonds on being named athletic director and a belated congratulations to Robert Hawes on being named superintendent.

We know that the members of the school board breathed a big sigh of relief the other night when they filled the last of these two vacancies. The board has been in almost continuous session for the past couple of months trying to take care of these two vacancies in our school system.

While there are still a few places yet to be filled before fall, the two big ones are out of the way now and the rest will begin to fall in place.

From what we can tell the board has done an admirable job in filling both of these vacancies. We are particularly glad to see a local boy come back home to take the important post of athletic director.

While we know that there will be certain problems that David will have to face, being a hometown boy, we feel that it is important that as many former students come back home as possible. These are the kind of people that have pride in Hamlin and can help us grow.

We will be glad to see both of these men get their families moved to Hamlin and take an active part in our community. We feel that they both will be of great benefit to all of us.

## A HAT WOULD BE SO MUCH COOLER!

She must go to the native market for her physical needs. The straw hat would be so much better than the old scarf tied and knotted about her head. Sweet, cool air could come through that straw and that would feel so wonderful in this heat!

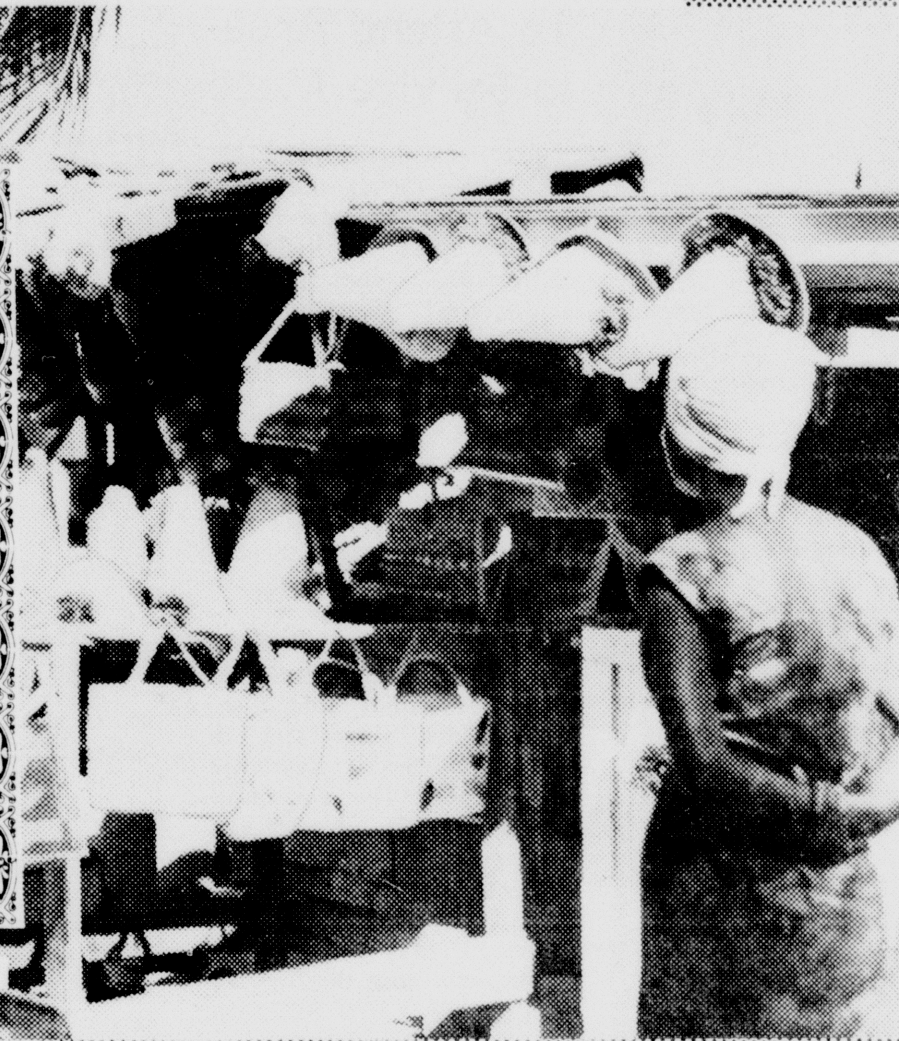

Where does she go for her spiritual needs? Is there a church on the island? Does she know that she will be told about a great God there who will help her, guide her, and refresh her?

How fortunate we are in this country that there is a church in every community. Spiritual help, refreshment of soul, fellowship and love awaits all who enter her doors. We invite you to attend Church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

give a helping hand

Their eyes search for a friend. Can we close our eyes and hearts to the millions who live in need across the world? Through CARE, you feed the hungry — primarily the children, heal the sick, shelter the homeless, equip and teach the poor to build a better life for themselves. Your hand is joined in partnership with local groups and governments who share the work and costs. Your dollars are turned into daily meals and child-nutrition centers, into schools, roads, houses, safe-water systems, farm and job tools, medicines, doctors and nurses. The people you help are as near as your mailbox. Send your check.

## YOU LOSE EVERY TIME

Don't kid yourself, you never get something for nothing. Store losses from shoplifting have soared to the point that steps have been taken to make certain violators are prosecuted. There is nothing more pathetic than the "JUST CAUGHT"

shoplifter. He has had it and he knows it. A record for shoplifting will always stay on your back even after your jail time is served. Apply for a new job and your shoplifting record will rear its ugly head every time. The road to success is not an easy one, so

don't put unnecessary obstacles in your path.

REMEMBER — the WHEEL of chance IS RIGGED, the CARDS ARE STACKED and YOU'RE THE LOSER! Be a WINNER — DON'T PLAY THE GAME!

### CARD OF THANKS

I wish to offer my sincere gratitude to the many fine people who supported me in my campaign for commissioner of Precinct 1. A special thanks to Johnnie Agnew and former commissioner Roy Brown who made it possible for me to gain the experience I feel qualified me for the position. Their encouragement and influence are greatly appreciated.

To those of you who supported Mr. Reid, let me assure you I did not run against the man, but for the office and I bear no resentment toward anyone. It is my desire to conduct the affairs of this Precinct in all fairness to every citizen within its boundaries.

## Tuesday Rites Held for J. M. Montgomery

John M. Montgomery of Sylvester, 80, died Sunday at 5:40 a.m. in Stamford Memorial Hospital. He has been hospitalized seven days.

Services were held at 3 p.m. Tuesday in the First Methodist Church at Sylvester. Rev. Delton Fisher, Methodist minister from Baird, and Rev. Hamer Salley, pastor, officiated.

Burial was in Newman Cemetery under the direction of McCoy Funeral Home.

A resident of Sylvester for 61 years, he was born June 23, 1891, in Eastland County, son of the late Mr. and Mrs. John P. Montgomery.

Mr. Montgomery, a farmer and blacksmith, was a well-informed amateur archeologist who amassed an outstanding collection of Indian artifacts, arrowheads, projectile points and primitive tools.

His collection, which includes rare Folsom points, prompted scientists from the Texas Historical Survey Committee to begin the "Diggings," now underway north of Merkel, to explore a pre-historic Indian campground.

He moved to Fisher County in January, 1910. He was a member of the Methodist Church.

Sept. 19, 1913, he was married to Ester Wills. She died Sept. 2, 1921.

He married Clara West Jan. 21, 1924.

Survivors include his wife; two sons, James M. of Belleville, Ill., Willard A. of Stamford; six daughters, Mrs. Ruth Sharp of Abilene, Mrs. Raymond Clark and Mrs. Gene Currid, both of Mertzon, Mrs. Oscar Skelton of Tularosa, N. Mex., Mrs. A. M. Birse of San Diego, Calif., and Mrs. E. L. Porter of Roscoe; four brothers, Roy of Grand Prairie, Cecil of Midland, Earl of Rising Star and Harold of California; two sisters, Mrs. W. L. Swafford of Loraine and Mrs. Homer Howard of Big Spring; 31 grandchildren and 19 great-grandchildren.

One son, Robert Z. preceded him in death.

Pallbearers were Loyd Boren, Jim Beck, Waldo Gatewood, Alfred Douglas, Paul Turner and Fay Dozier.

Four out-of-town collectors of Merkel hopped on down to the Hamlin Flea Market last Saturday. Better known in Merkel as the Ding-a-Ling Sisters because of their maiden name being Bell, Neda Cade, Leona Hogan, and Zada Bird consider Flea Markets a wonderful hobby.

The other collector, Mrs. Loretta Morgan explained, "I'm having a good time and am very thankful for the invitation."

Only four of the usual six women could make this market. Mrs. Cade has made all of them here and of her experiences says, "I meet a lot of interesting people; I like to trade and to exchange ideas; and I just enjoy visiting."

Mrs. Bird comments that this is a "wonderful hobby and you meet nice people everywhere you go."

"My advice to the younger people is to start collecting now and to collect good things to bring in more profit," said Mrs. Hogan.

The Ding-a-Lings go to almost all estate sales "even if it means getting up at 4:00 to get there by 8:00," commented Mrs. Hogan.

The three sisters have only been collecting for about two or three years but would like to encourage younger people to get involved in the markets.

Visiting in the home of Mrs. John Collins Sunday on her 69th birthday were Mr. and Mrs. Johnny Collins and Gary of Stamford, Mr. and Mrs. Joe Collins, Tony, and Larry, Mr. and Mrs. Robert Ferguson, Robert, Debbie, and Ricky of Graham, Mr. and Mrs. Ronnie Collins and Tonya of Abilene, Mr. and Mrs. Bill Hatley of Merkel, Mr. and Mrs. Willie Ails, Sue Ails of Abilene, Mr. and Mrs. Shannon Carter, Mrs. B. C. Payne, Mike Donham, Pam Peace and Mr. and Mrs. Jack Collins.

Mr. and Mrs. H. A. Payne, Richard, and Patricia of Spring were weekend guests of his parents Mr. and Mrs. B. C. Payne.

Robert, Marge, and Mark Fowler, Ken and Jo Riddle, Jeri Ann Waggoner, and myself went to Oak Creek late Sunday to enjoy some water skiing and relaxation at the Riddle's Rendezvous.

Mrs. Baker just returned from a visit with her husband Major John P. Baker stationed in Saigon.

"I could certainly tell that a wart was going on," observed Mrs. Baker. "There were guards everywhere and the hotel where I stayed was enclosed by a high fence. For entrance, you just drove your car to the gate and honked."

It is not encouraging for wives to visit Vietnam so the Vietnamese were shocked to see an American woman visiting. Mrs. Baker said they followed her everywhere and just stared. "I felt like the Pied Piper of Hamelin, except I was followed by people instead of mice."

She was the guest of several Vietnamese families and commented that they were very nice people and quite fancy. "The food was very good except for the pig's stomach I was forced to taste. I'm not too fond of that," she said.

Mrs. Baker also visited Bangkok. The fish there was hot like Mexican food. She described it, "Imagine making Mexican food out of fish. It was hot."

To Mrs. Baker, Bangkok was a much cleaner city than Saigon with beautiful temples, but both cities resembled a huge flea market. Mrs. Baker reported that, "The moral of the soldiers was very high." She said that a lot of soldiers supported Vietnamese orphans by helping them after their regular hours.

Major Baker returns in July and will be assigned to the ROTC staff at Hardin-Simmons University. He will have completed one year then.

Mrs. Baker's final comment was, "The cities were very noisy and had over 100,000 motorcycles going around. But despite this, I would like to visit again."

Additional housing is needed in the federal housing project program to meet the needs of Hamlin residents, according to Tommy Robertson, manager of the local housing authority.

Especially needed is housing to meet the needs of elderly persons, he said.

At this time it is necessary to determine the number of people who would be interested in this type of housing. All persons interested should send their name, address, age, and phone number to the Housing Authority, in care of Tommy Robertson, Box H, Hamlin.

The problem has been under investigation for some time but a definite number is needed before the next step to securing the funds for the project can be started. The housing would be constructed in Hamlin city limits.
